Comparison Table

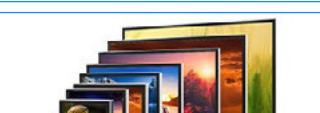

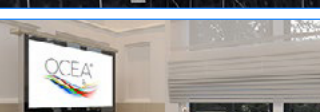

COMPARISON

Ocea Pro Smart Touch Bathroom TV

Other Bathroom TV

<p>Yes, water resistant and when recessed mounted, waterproof comparable to IPX7.</p>		<p>Sometimes water resistant, but with integrated speakers in the TV it is usually IPX5 or less.</p>
<p>Yes. Strengthened mirror glass, very strong, scratch-proof and easy to clean.</p>		<p>Often with acrylic or plastic front that can be scratched easily.</p>
<p>Our patented magnet wall box system reduces the bezel that makes the TV look much better.</p>		<p>Large bezels to cover the wall box construction.</p>
<p>The patented heat sink subtracts the heat from the TV. This significantly reduces the temperature inside the TV and increases its lifetime.</p>		<p>No.</p>
<p>Ocea Pro Smart Touch Bathroom TV has a separate speaker housing, so that the electronic components are not exposed to audio vibrations.</p>		<p>Not separated, but integrated in the closed TV compartment and the electronic parts are exposed to the vibrations.</p>
<p>Ocea Pro Smart Touch Bathroom TV has an internal fan that circulates the air inside, which results to a fast and even defogging.</p>		<p>No internal fan, and not even defogging of the screen.</p>
<p>Ocea Pro Smart Touch Bathroom TV is powered by safe 12 or 24 volt, which is easy to pass local coding regulations.</p>		<p>Sometimes TV is powered by 110 or 220 volt, which can be dangerous in the bathroom.</p>
<p>Ocea Pro Smart Touch Bathroom TV is available in both recessed and surface mount configuration.</p>		<p>No, often only recessed or only surface mount.</p>
<p>Yes, Ocea Pro Smart Touch Bathroom TV comes standard with a full touch screen. Control your TV up to 50 times faster.</p>		<p>No.</p>
